

————— Your guide to —————

Sky Talk Shield

—————

Answer the calls you want Block the ones you don't

Talk Shield automatically screens calls to all of your home phones once activated. You can listen to who's calling you and then choose from the following options:

————— **Press 1** —————

to accept the call just once

————— **Press *** —————

to answer the call and add the number to your Star list

————— **Press #** —————

to reject the call and add the number to your Block List

————— **Press 9** —————

to send a call to your Sky Voicemail
(if your voicemail is activated)

Manage Sky Talk Shield from your phone at anytime:

————— **Dial 1780** —————

to access the Talk Shield Menu

————— **Dial 1781** —————

to add the last caller to your Star List

————— **Dial 1783** —————

to add the last caller to your Block List

Your guide to

Sky Talk Shield

Answer the calls you want
Block the ones you don't

How it works

1

Someone tries
to call you

2

Talk Shield
intercepts and
blocks calls
from 'robots'

3

If it's a person,
your phone
rings and Talk
Shield tells
you who it is

4

Choose to
accept or
block the call

5

You can
easily add the
number to
your Star or
Block List
