

How download speeds affect you

We've put together a table to help you understand the different download speeds.

From downloading music and photos, to gaming and browsing, your broadband speed can be affected depending on which Sky Broadband product you have.

	Broadband Lite / Unlimited			Fibre Unlimited	Fibre Max / Fibre Pro
	5Mbps	8Mbps	16Mbps	38Mbps	76Mbps
1 album / 10 songs Based on MP3 song size of 5MB per file. Download time:	1m 20s	50 secs	25 secs	11 secs	5 secs
200 Photos Based on photo size of 1MB per file. Download time:	5m 20s	3m 20s	1m 40s	42 secs	21 secs
1 TV show on demand Based on TV show size of 406MB per episode. Download time: Time to start viewing:	10m 5s 1 min	6m 46s 1 min	3m 23s 1 min	1m 25s < 1 min	43 secs < 1 min
1 movie via on demand Based on movie size of 858MB per movie. Download time: Time to start viewing:	23m 9s 1 min	14m 28s 1 min	7m 14s 1 min	3m 3s < 1 min	1m 31s < 1 min

Times shown above are estimates and are not a prediction of actual speed.
